

IF JOHN KERRY THINKS THE SECOND AMENDMENT IS ABOUT PHOTO-OPS,

HE'S
DAFFEY.

So John Kerry is here in Ohio.....posing as a sportsman in front of the cameras. But photo-ops can't hide Kerry's contempt for sportsmen's rights.

- ***Kerry sponsored a bill that would ban every semi-automatic shotgun and every pump shotgun in America.***
- ***Kerry supports new taxes on all guns.***
- ***Kerry supports new taxes on all ammunition.***
- ***Kerry voted to ban deer hunting ammunition.***
- ***Kerry is endorsed by groups that want to outlaw hunting.***

Yes, John Kerry would like you to believe that he's a sportsman. But his 20-year Senate record says something different.

If John Kerry wins, hunters lose.
