Dear Mrs. Murrill:

On behalf of NRA's Political Victory fund and our members in Louisiana, I am pleased to announce your **"A" rating and endorsement** in the runoff election for Attorney General. This endorsement reflects your lengthy and proven record of support for the Second Amendment and our hunting heritage.

As Solicitor General, you petitioned the United States Supreme Court to uphold gun owners' rights in *NYSRPA v. Bruen*. Throughout your tenure, you unapologetically stood with gun owners and sportsmen in Louisiana by joining every important legal effort to protect the Second Amendment.

Your resolute commitment to the Second Amendment is evident through your positions against gun control while fully supporting law-abiding gun owners' right to self-defense. You understand, as do we, that restricting the rights of law-abiding citizens is not the answer to violent crime. Clearly, if elected the next Attorney General of Louisiana, you will continue to stand against those who seek to diminish our freedoms by ultimately destroying the Second Amendment and our Right to Keep and Bear Arms.

Your rating and endorsement will be listed on our website at www.nrapvf.org and shared with NRA members prior to the upcoming election. Please feel free to communicate your rating and endorsement to voters as you travel the state. Best of luck with your campaign, and we look forward to continuing to work with you to defend and promote our rights in the Pelican State!

Sincerely,

A handwritten signature in black ink that reads "Randy Kozuch".
