Dear Governor Cox:

On behalf of NRA members in Utah, I am pleased to announce your NRA-PVF “A+” rating and endorsement for Governor in the 2024 Utah Primary Election. This endorsement is a reflection of your steadfast support and demonstrated leadership on Second Amendment issues during your tenure as Governor.

As Governor, you signed critical legislation into law to ensure the rights of Utah’s law-abiding gun owners and sportsmen. As a result of signing permitless carry into law, citizens in Utah can now exercise their constitutional right to conceal carry without first having to obtain government permission. In addition, you have signed legislation that enhanced Utah’s firearm preemption law, and most recently, legislation that provides important financial privacy protections for gun owners when purchasing firearms and ammunition.

Our members will interpret your “A+” rating and endorsement as being a solid pro-gun/pro-hunting candidate who is a staunch defender of the Right to Keep and Bear Arms. Please feel free to communicate your rating and endorsement to the voters of Utah.

Congratulations again on your “A+” rating and endorsement. I wish you the best of luck in your campaign and look forward to our continued relationship as we advance the interests of gun owners and sportsmen in Utah.

Sincerely,

Randy Kozuch
Chairman
