Dear Congressman Armstrong:

On behalf of NRA members in North Dakota, I am pleased to announce your NRA-PVF “A+” rating and endorsement for the 2024 North Dakota Primary Election for Governor. This endorsement is a reflection of your steadfast support and demonstrated leadership on Second Amendment issues during your tenure in the Legislature and Congress.

As Chair of the North Dakota Senate Judiciary Committee and as a member of the House Judiciary Committee in Congress, you have been an ardent supporter of the Second Amendment and hunting rights. You helped pass constitutional carry in North Dakota and you worked to pass legislation in support of preemption and removal of gun free zones.

In Congress, you advocated for suppressors, nationwide reciprocity for concealed carry, allowing citizens to use a post office or rural route address for the purpose of purchasing a firearm, and defunding the ATF until the repeal of the retroactive application of the pistol brace rule. You have fought against red flag laws, national registry of firearms, assault weapons bans, and restrictions on the temporary transfer of firearms.

Our members will interpret your “A+” rating and endorsement as being a solid pro-gun/pro-hunting candidate who is a staunch defender of the Right to Keep and Bear Arms. Please feel free to communicate your rating and endorsement to the voters of North Dakota.

Congratulations again on your “A+” rating and endorsement. I wish you the best of luck in your campaign and look forward to our continued relationship to advance the interests of North Dakota’s law-abiding gun owners and sportsmen.

Sincerely,

Randy Kozuch
Chairman
